

The ONLY station I listen to is K-Love. It is the most relaxing and encouraging station I know. I would be devastated if it were to be taken off the air, as would my co-workers. All of my friends and family listen to K-Love, as well. I totally believe that Christians have the right to keep K-Love on the air and not have it replaced with garbage that is not helpful to the soul. After all, the soul is what lives on. K-Love is a station that encourages and helps everyone that listens to it. PLEASE DO NOT TAKE AWAY K-LOVE FROM ANY COMMUNITY.

Sincerely,
Dee Mack
